Biography

Mr. Hébert is a founding Shareholder of Charfoos Reiter Hébert, PC and is its current President. He has limited his practice for the past 23 years to the defense of employers in workers' compensation matters.

Danial is a member of the Michigan Bar Association and its Workers' Compensation Section and the American Bar Association. He is also on the Workers' Compensation Committees of both the Labor and Employment Law Section and the Tort Trial and Insurance Practice Section.

He is a founding member of the National Workers' Compensation Defense Network (NWCDN) and has acted as the Chair of the Program Advisory Committee. Danial lectures frequently for the American Bar Association and NWCDN, as well as various other organizations. His “Lunch and Learn” series for clients in Michigan, Ohio, Illinois, Indiana, Iowa, and several other states has been in continuous demand (as well as a lot of fun) over the last several years.

He is honored with an induction as a Fellow in the College of Workers' Compensation Lawyers — one of the youngest attorneys honored with this fellowship — and maintains the top peer review rating of “AV” granted by Martindale-Hubbell. He is an active member of the Michigan Self-Insurers' Association and the Michigan Public Risk Management Association, and a proud member of the Michigan State University Alumni Association.
